

Terms and Conditions of the Competition for the Best Scientific Poster 4th Scientific Conference „Energy Security – Pillars and Development Perspective”, 1-2 April 2019

§1 Definitions

1. The organiser - the organiser of the Competition for the Best Scientific Poster is the Ignacy Łukasiewicz Institute of Energy Policy in cooperation with the Department of Economics, Faculty of Management, Rzeszów University of Technology and the Eurointegration Students' Scientific Circle.
2. Scientific Poster Session - an event related to the public presentation of scientific posters, which will take place on 2nd April 2019 at the Rzeszów University of Technology as part of the 4th Scientific Conference „Energy Security – Pillars and Development Perspective”.
3. Competition - Competition for the Best Scientific Poster at the 4th Scientific Conference „Energy Security – Pillars and Development Perspective”.
4. Participant - each author/co-author of a Scientific Poster issued for the 4th Scientific Conference „Energy Security – Pillars and Development Perspective”, who will express the willingness to participate in the Competition for the Best Scientific Poster by sending a poster (taking into account all formal requirements established by the Organizer).
5. Conference – 4th Scientific Conference „Energy Security – Pillars and Development Perspective”, which will be held on 1-2 April 2019 at the Rzeszów University of Technology.

§2 General Provisions

1. Sending the application form for participation in the conference is tantamount to acceptance of these regulations.
2. The organizer reserves the right to change the provisions of the regulations. In the case described above, the Organiser undertakes to inform the Participants about this fact.
3. Posters must be original in accordance with the provisions of the Copyright and Related Rights Act.
4. Submitting the application is tantamount to agreeing to place an electronic version of a scientific poster on Facebook and the organizers' websites.
5. The Organizing Committee of the Conference is responsible for the proper course of the competition.
6. All questions, comments, reservations should be submitted to the Organizing Committee of the Conference via e-mail: krozmus@instytutpe.pl

§3 Participants/Application

1. Participants of the Competitions are all authors / co-authors of Scientific Posters, who expressed their willingness to participate in the Competition by sending a complete application (thus registering their participation in the Conference) and a poster (taking into account all formal requirements specified by the Organizer) within the set deadline. The maximum number of co-authors is 3 persons.
2. The application should be made by sending an electronic version of the poster to the address krozmus@instytutpe.pl with information about the authors (including affiliation) together with a scan of signed Attachment No. 1 to these Terms and Conditions within the deadline resulting from §5 of these Terms.
3. The electronic version of the poster should be saved in JPEG format (sRGB). The file should not exceed 5MB. Organizers reserve the right to modify the file (size/resolution/format) in case of problems with editing it or placing it on the portal.
4. The organizer does not take responsibility for the quality of the published photo, however, it should be remembered that the quality of the photo affects its reception and subsequent evaluation.

§4 Topics of scientific posters

The subject matter of scientific posters should be included in the thematic areas proposed by the Organizer, i.e:

- Energy security
- Poland's Energy policy
- Energy policy of the European Union
- Climate policy
- Transformation of the energy sector
- Legal aspects and regulatory environment of the energy sector
- Common energy market
- Crude oil
- Natural gas
- Hard coal and lignite
- Power engineering
- Electromobility
- Renewable energy sources
- Heating
- Energy infrastructure
- Poland-Ukraine cooperation in the energy sector
- New technologies in the energy sector
- Low-carbon transport
- Energy efficiency
- Energy clusters
- Transmission of energy

§5 Schedule

18th March 2019 until 23:59 – the deadline for sending an electronic version of scientific posters to the organisers to the following e-mail address: krozmus@instytutpe.pl with information about authors/affiliations. Failure to deliver the electronic version of the poster within the specified deadline will result in the exclusion of the participant from the competition.

20th March 2019 – publication of electronic versions of scientific posters on the website (www.instytutpe.pl) with a link to a photo on the Ignacy Łukasiewicz Institute of Energy Policy profile on Facebook (<https://www.facebook.com/instytypolitykienergetycznej/>)

2nd April 2019 – the results of the vote will be announced during the Scientific Poster Session (12:15-12:45). The Organizer reserves the right to change the time of announcing the results, if the program of the Conference is changed. At the same time, the organizer undertakes to immediately inform the participants, if such an exchange takes place.

§6 Rules of the Competition

1. Sending by participants of electronic versions of scientific posters to the Organizers in accordance with the provisions of the Regulations.
2. 20th March 2019 – publication of electronic versions of scientific posters on the Ignacy Łukasiewicz Institute of Energy Policy profile, on Facebook (<https://www.facebook.com/instytypolitykienergetycznej/>) together with information about the authors.
3. The voting of Internet viewers. The viewers vote by "liking a photo" presenting an electronic version of a scientific poster on the Ignacy Łukasiewicz Institute of Energy Policy's profile on Facebook.
4. The counting of votes - a summary of the number of votes (the so-called "liking" for a given photo presenting an electronic version of a scientific poster) will be presented on the Ignacy Łukasiewicz Institute of Energy Policy profile on Facebook - on 2th April 2019 at 12:00.
5. Announcement of the results of the Internet viewers' voting will take place during the scientific poster session at the Conference.
6. The prize for the first place is a fountain pen. In the case of a poster submitted by a larger number of people, the organizers foresee a fountain pen and two pendrives as prizes. For the second and third place there will be prizes in kind in the form of pendrives (in the case of group posters a maximum of 3 pendrives for each of the co-authors is foreseen).
