

**Terms and Conditions of the Competition for the Best Scientific Poster**  
**5th Scientific Conference**  
**„Energy Security – Pillars and Development Perspective”**  
**12-13 October 2020**

**§1 Definitions**

1. The Organiser - the Organiser of the Competition for the Best Scientific Poster is the Ignacy Łukasiewicz Institute of Energy Policy in cooperation with the Department of Economics, Faculty of Management, Rzeszów University of Technology and the Eurointegration Students' Scientific Circle.
2. Scientific Poster Session - an event related to the public presentation of scientific posters, which will take place on 13st October 2020 at the Rzeszów University of Technology as part of the 5th Scientific Conference „Energy Security – Pillars and Development Perspective”.
3. Competition - Competition for the Best Scientific Poster at the 4th Scientific Conference „Energy Security – Pillars and Development Perspective”.
4. Participant - each author/co-author of a Scientific Poster issued for the 5th Scientific Conference „Energy Security – Pillars and Development Perspective”, who will express the willingness to participate in the Competition for the Best Scientific Poster by sending a poster (taking into account all formal requirements established by the Organizer).
5. Conference – 5th Scientific Conference „Energy Security – Pillars and Development Perspective”, which will be held on 12-13 October 2020 at the Rzeszów University of Technology.

**§2 General Provisions**

1. Sending the application form for participation in the conference is tantamount to acceptance of these regulations.
2. The organizer reserves the right to change the provisions of the regulations. In the case described above, the Organiser undertakes to inform the Participants about this fact.
3. Posters must be original in accordance with the provisions of the Copyright and Related Rights Act.
4. Submitting the application is tantamount to agreeing to place an electronic version of a scientific poster on Facebook and the Conference website.
5. The Organizing Committee of the Conference is responsible for the proper course of the competition.
6. All questions, comments, reservations should be submitted to the Organizing Committee of the Conference via e-mail: [konferencja@instytutpe.pl](mailto:konferencja@instytutpe.pl).

### **§3 Participants/Application**

1. Participants of the Competitions are all authors / co-authors of Scientific Posters, who expressed their willingness to participate in the Competition by sending a complete application (thus registering their participation in the Conference) and a poster (taking into account all formal requirements specified by the Organizer) within the set deadline. The maximum number of co-authors is 3 persons.
2. The application should be made by sending an electronic version of the poster to the address konferencja@instytutpe.pl with information about the authors (including affiliation) together with a scan of signed Attachment No. 1 to these Terms and Conditions within the deadline resulting from §5 of these Terms.
3. The electronic version of the poster should be saved in JPEG format (sRGB). The file should not exceed 5MB. Organizers reserve the right to modify the file (size/resolution/format) in case of problems with editing it or placing it on the portal.
4. The organizer does not take responsibility for the quality of the published photo, however, it should be remembered that the quality of the photo affects its reception and subsequent evaluation.

### **§4 Topics of scientific posters**

The subject matter of scientific posters should be included in the thematic areas proposed by the Organizer, i.e:

- Energy security of the European Union
- Energy security of Poland
- Energy policy of the state
- Energy and climate policy
- Energy law
- The European Union's common energy market
- Crude oil
- Natural gas
- Hard coal and lignite
- Renewable energy
- Clean air technologies
- Nuclear energy
- Waste management
- Energy efficiency
- Innovations and model solutions for supply system security
- Energy efficiency and wastewater management
- Energy technologies in the construction sector
- Liquefied gas (LNG)
- Energy infrastructure
- Low-carbon transport
- Electromobility
- Hydrogen in low-carbon transport
- Power engineering
- Energy clusters
- Heating
- Energy storage
- New technologies in the energy sector
- Space mining in the energy sector
- Circular economy
- Meeting environmental and energy challenges - a governance perspective

## §5 Schedule

**5th October 2020** until 23:59 – the deadline for sending an electronic version of scientific posters to the organisers to the following e-mail address: [konferencja@instytutpe.pl](mailto:konferencja@instytutpe.pl) with information about authors/affiliations. Failure to deliver the electronic version of the poster within the specified deadline will result in the exclusion of the participant from the competition.

**7th October 2020** – publication of electronic versions of scientific posters on the website ([www.instytutpe.pl](http://www.instytutpe.pl)) with a link to a photo on the Ignacy Łukasiewicz Institute of Energy Policy profile on Facebook (<https://www.facebook.com/instytypolitykienergetycznej/>)

**13th October 2020** – the results of the vote will be announced during the Scientific Poster Session (12:15-12:45). The Organizer reserves the right to change the time of announcing the results, if the program of the Conference is changed. At the same time, the organizer undertakes to immediately inform the participants, if such an exchange takes place.

## §6 Rules of the Competition

1. Participants have to send the electronic versions of the scientific posters to organizers in accordance with the provisions of the Regulation.
2. Participants have to deliver their scientific posters to registration on the first day of the Conference. If there are any difficulties that make it impossible to deliver the scientific posters on time, participants are obliged to contact the Organizing Committee at least 2 days before the Conference begins.
3. Organizers will hang the printed posters in the room where Poster Sessions will take place on 12<sup>th</sup> and 13<sup>th</sup> of October 2020. The exact hours of the Poster Sessions, where the presentation and assessment of them will take place will be released on the 1<sup>st</sup> of September 2020 with the final Conference Program.
4. The assessment of the scientific posters will be made by the Scientific Committee chosen by the Organizers.
5. The main criteria according to which the assessment will be proceeded:
  - a) Content and the substantive value,
  - b) Originality,
  - c) Methodology,
  - d) The way of presenting the subject.
6. The results of the Scientific Posters Competition will be announced on the second day of the Conference, 13<sup>th</sup> October 2020. The awards will also be handed out on that day. The Author/Authors of the best one, according to Scientific Committee's assessment, will be awarded.

.....  
(name and surname)

## **DECLARATION OF CONSENT**

I, the undersigned, hereby give my consent for publishing the digital version of my poster, sent to the 5th Scientific Conference Energy Security – Pillars and Development Perspective” (12-13 October 2020), on the facebook.com profile ([www.facebook.com/events/702153286927859](http://www.facebook.com/events/702153286927859)) and on the Conference website ([www.instytutpe.pl/en/konferencja2020-en](http://www.instytutpe.pl/en/konferencja2020-en)) free of charge.
